Who We Are

Founded in 1992, Rocky Mountain Human Services is a nonprofit organization that offers person-centered case management and direct service programs for children and adults with intellectual disabilities, Veterans and children and adults transition from a mental health institute or hospital to a community setting. With offices in Denver, Colorado Springs and Pueblo, and programs throughout Colorado, we are committed to collaborating with individuals and their families to support independence and quality of life.

RMHS at a Glance

Our Programs and Services

Children & Adolescents

• Children from birth to age 18 and their families.
• Provide assessments, consultations and intervention services for infants and toddlers with developmental disabilities or delays, and children and adolescents who have life-threatening medical conditions and significant behavior challenges.
• Offer personalized support for families who are caring for a family member with developmental disabilities.
• Services for children and adolescents to support the transition from a mental health institute or hospital to a community setting.

Adults

• Adults with diagnosed mental health conditions, such as depression, post-traumatic stress disorder and bipolar disorder, and co-occurring developmental disabilities and disorders, including autism and learning disorders.
• Offer case management for people in need of extensive support, including 24-hour supervision.
• Coordinate services to enable people to live with their families or independently, and residential services that focus on the person and his or her priorities.
• Services for adults to support the transition from a mental health institute or psychiatric hospital to a community setting.

Veterans

• U.S. Veterans who live in Colorado and meet certain income limits.
• Provide services to prevent homelessness, including housing referrals and short-term case management for veterans and their families.
• Connect Veterans to other services that promote housing stability and alleviate chronic homelessness, including temporary shelter and permanent housing, mental health and substance abuse treatment, and legal, employment and financial planning services.
• Offices in Denver, Colorado Springs and Pueblo.
